Summary

Motivated Computer Science graduate with a strong foundation in mathematics, programming, databases, and software development. Seeking to help students develop problem-solving, critical thinking, and digital literacy skills.

Education

Bachelor of Computer Science
Ain Shams University.
Faculty of Science.
Year of Graduation: 2026

- GPA: 3.191

Key Skills

- Programming fundamentals
- Problem Solving
- Communication
- Mathematics
- Teamwork
- Classroom Presentation Skills

Experience Overview

Ain Shams University Rovers (ASU Rovers)
Member | 2023 – 2026

- Participated in community service and volunteer activities.
- Developed leadership, communication, and teamwork skills through group projects.
- Assisted in planning and coordinating student initiatives and social events.
- Guided and supported participants during rover activities and workshops.

ECPC Participant | 2024

- Participated in competitive programming focused on algorithms, data structures, and problem-solving.
- Solved programming challenges under time constraints.

- **Certificate link**

Information Technology Institute (ITI)

- Completed professional training in software development and information technology.
- • Enhanced programming, problem-solving, and technical skills through practical projects and hands-on learning.
- • Worked with modern development tools and technologies.
- • Developed teamwork, communication, and project management skills through collaborative activities
